Company Details

Address: Unit-8
15-17 Chaplin Drive
LANE COVE WEST NSW, 2066 Australia

Ph: +61 2 9651 4220

Email: john.nandlal@cebeco.com.au

Web: <https://www.cebeco.com.au/>

ICN Gateway Company ID: 88551

Employees: 10

ABN: 41 127 816 335

Locations: 2

Local Manufacturer: No

Foreign Manufacturer: No

Importer: Yes

Exporter: No

NT CAL Accredited: No

Works in Remote Locations: No

Australian Indigenous Owned: No

Cebeco provides Engineering Products for the following areas:

PRESSURE: Pressure Relieving and Control Equipment

- . Pressure Safety and Pressure Relief Valves
- . Bursting Discs and Panels
- . Tank Vents
- . Pressure Regulators, Pressure Reducers and Controllers

FLOW: Valves and related equipment

- . Control & Injection Valves
- . High Pressure / High Temperature Slurry Valves
- . Powerstation & Diverter Valves
- . In-tank Emergency Shut-off Valves
- . Bottom Outlet and Sampling Valves
- . Strainers & Sight Flow Indicators
- . Eductors, Venturis, Ejectors, Scrubbers, Thermocompressors, Desuperheaters and Agitators

SAFETY PRODUCTS: Gas Detection equipment and other

- . Portable Gas Detectors
- . Fixed Gas Detection systems
- . Calibration gases and servicing
- . Flame & Detonation Arresters
- . Hazardous Area Electrical equipment

LEVEL: Level Instrumentation

- . Tubular and Armored Glass Gauges
- . Magnetic Level Gauges

Summary

Cebeco is a supplier of Engineering Products specializing in the Oil and Gas, Petrochemical, Process and Mining Industries.

We commenced operations in 1971 and today have a team of 10 people. Our sales team comprises experienced engineers with backgrounds in the Mechanical, Process, Electrical and Instrumentation fields.

Our head office is in Sydney and we have an office in Perth. We have an outsourced manufacturing facility in Melbourne to make strainers and other products.

We supply:

1. 100% Australian made Strainers
2. Donadon Bursting Discs
3. Jerguson Glass Level Gauges and Magnetic Level Gauges
4. Protectoseal Tank Protection Vents and Low Pressure Tank Equipment
5. Eductors and Venturis
6. Jacoby Tarbox Sight Flow Indicators and Sight Windows
7. Clark Reliance Boiler Instrumentation
8. Tai Milano Pressure Relief Valves
9. Crowcon Gas Detection equipment
10. Cooper Crouse Hinds junction boxes and lighting
11. Schuf Control valves

Description

BUSINESS ACTIVITY:

We have six areas of activity:

PRESSURE: Pressure Relieving and Control equipment

- . Pressure Safety and Pressure Relief Valves
- . Bursting Discs and Panels
- . Tank Vents
- . Pressure Regulators, Pressure Reducers and Controllers

FLOW: Valves and related equipment

- . Control Valves
- . High Pressure / High Temperature Slurry Valves
- . Powerstation Valves
- . Diverter Valves
- . In-tank Emergency Shut-off Valves
- . Bottom Outlet and Sampling Valves
- . Injection Valves
- . Strainers
- . Sight Flow Indicators
- . Eductors, Venturis, Ejectors, Scrubbers, Thermocompressors, Desuperheaters and Agitators

SAFETY PRODUCTS: Gas Detection equipment and other

- . Portable Gas Detectors
- . Fixed Gas Detection systems
- . Calibration Gases
- . Calibration services

- . Flame and Detonation Arrester
- . Hazardous area electrical equipment

LEVEL: Level Instrumentation

- . Tubular and Armored Glass Gauges
- . Magnetic Level Gauges
- . Boiler Instrumentation
- . Floats and Switches

ENGINEERED PRODUCTS: Bespoke Design and Fabrication

- . Pipe spools
- . Radar Chambers
- . Bespoke Design and Fabrication
- . Steels, stainless steel and specialty alloy materials

PROCUREMENT SERVICES: Outsourced Procurement Activities

Cebeco sources and supplies a wide range of products to best suit the needs of our customers, based on price, delivery or technical requirements.

We source and supply for a variety of customers. The key reasons that we are preferred by our customers are:

- . Our supply chain allows us to procure many products at discounts that our customers are unable to achieve. We can then pass these discounts on to our

customers.

• Our service commitment means that our delivery times are faster than customers achieve through in-house channels.

• Our breadth of technical knowledge allows us to solve problems and secure 'hard-to-find' replacement products quickly.

• We have built strong relationships with key manufacturers in the USA, Europe, Korea and Japan over the last 40 years.

We supply full documentation that includes material certification, pressure test and non-destructive examination reports and photographs. We send in inspectors where required.

We represent the following manufacturers in the Australian market:

TAI MILANO. Pressure safety valves and changeover valves. Manufacturing near Milan, Italy since 1959.

PROTECTOSEAL. Tank venting, tank blanketing, flame and detonation arresters, tank fittings. Manufacturing in Chicago, USA since 1925. The inventor of the flash arrester.

DONADON. Bursting discs, panels and indicators. Manufacturing in Milan, Italy since 1950.

SCHUF FETTEROLF. Valves that control, isolate, divert, or sample gases, liquids, slurries or powders.

SAMSHIN. Powerstation, steam and cryogenic valves. Manufacturing in Korea since 1966.

JACOBY TARBOX. World leader in sight flow indicators and sight windows since 1911. Manufacturing in Cleveland, USA.

SCHUTTE & KOERTING. Eductors, venturis, ejectors, scrubbers, thermocompressors, desuperheaters and agitators. Manufacturing in Pennsylvania, USA since 1876.

ULBREC. Basket strainers, Y-strainers, T-strainers, simplex and duplex strainers, automatic backwash strainers and filters. Manufacturing in Melbourne, Australia since the 1950's.

JERGUSON. World leader in level indication and control products since 1905. Manufacturing in Cleveland, USA.

CLARK RELIANCE. World leader in boiler-trim instrumentation and controls since 1884. Manufacturing in Cleveland, USA.

MURPHY. Controllers, gauges, sensors and switches since 1939. Manufacturing in the USA, UK and China.

CROWCON. Fixed and portable gas detection. Manufacturing in Abingdon UK since 1970.

QUALITY: Cebeco is accredited under ISO 9001. We have very high supply accuracy and experience very low warranty

Associations

- > Institute of Engineers
- > Institute of Instrumentation Control and Automation

Products & Services

- > PRESSURE: Pressure relieving and control equipment
- > FLOW: Valves and related equipment
- > SAFETY PRODUCTS: Gas detection equipment
- > LEVEL: Level instrumentation
- > ENGINEERED PRODUCTS: Bespoke Design and Fabrication
- > PROCUREMENT SERVICES: Outsourced Procurement Activities

Facilities and Equipment

- > Our headquarters and warehouse are in Sydney, New South Wales, and we have one interstate sales offices in Perth, Western Australia.

Industries Served

- > Defence
- > Mining
- > Oil, Gas & Energy
- > Rail
- > Water

Major Clients

- > Shell
- > BOC gases
- > Qenos
- > Bechtel
- > Caltex

- > AS/NSZ ISO: 9001:2015
- > Member of Institute of Instrumentation & Control Automation

Previous Significant Projects

2018

Gorgon Project

\$500,000

Client: Chevron Australia

Supply of Pressure Safety Valves

2018

Gorgon Project

\$1,000,000

Client: Chevron Australia

Gorgon Spares

2018

Nickel West Project

\$300,000

Client: BHP Biliton

Supply of Plug Valves

2013

CHRISTMAS CREEK UPGRADE

\$500,000

Client: FORTESCUE METALS

Supply of two duplex slurry strainers

2013

LNG Project

\$500,000

Client: Australia Pacific

Supply of Bursting Discs

2012

APLNG UPSTREAM WELLHEAD SKIDS

\$3,000,000

Client: ORIGIN ENERGY

Supply of 1,290 bursting discs, holders and sensors

2012

QCLNG UPSTREAM WELLHEAD SKIDS

\$2,000,000

Client: AKER SOLUTIONS

Supply of 640 bursting discs, holders and sensors

2011

QCLNG LNG Plant

\$500,000

Client: Emerson

Supply of 88 magnetic level gauges
