Project Registration Information

McArthur River Mining is committed to ensuring Australian Industry the opportunity to participate in the operations of the McArthur River Mine Project.

You are invited to submit an expression of interest if you have the relevant capability and capacity to undertake the scope of work. Suppliers and contractors will only be considered for prequalification and tender lists if suitably qualified.

All expressions of interest (EOIs) are to be completed via ICN Gateway mrm.icn.org.au. Please contact ICN NT if EOI assistance is required. Contact details: (08) 8922 9422 or admin@icnnt.org.au.

Note that an important part of the project registration process is submitting your EOI at the correct Tier level.

Tier level definition:

Full Scope (Tier 1): Able to service/supply the package in its entirety.

More information about the McArthur River Mine project can be found on at www.mcarthurrivermine.com.au.
